

A Numbers, shapes and relationships

Most unlike

Have a go

Identify the features in common in the first three pictures. Complete the fourth picture so that it has the same features in common and will belong to the set.

In the next two questions, look at the picture above the circled letter. Write the reason why this picture does not belong to the group.

b does not belong because:

b does not belong because:

Test yourself

Look at these sets of pictures and identify the one that is most unlike the others. Circle the letter beneath the correct answer. For example:

Score / 4

Try it out

Complete the following pictures in such a way that they are all different and option c is most unlike the other four options.
