

- Explore the videos, websites, stories and information sheets to find out about the Queen, her life and her Platinum Jubilee
- Then choose any of the activities to complete.

FACTS

THE LIFE OF ELIZABETH II

Activities

How would you like the planet to look in 70 years time?

- Create a collage on paper or digitally using PicCollage or Canva - add images to represent your thoughts
- Make a sketch using digital drawings or on paper.

- Make a replica of Buckingham Palace or Windsor Castle or design your own palace.
- Create a world that reflects what you think our planet will look like in 70 years time.
- Design a Jubilee arch for the Queen to pass through on the day

Watch this [video](#) and have a go at learning some 1950's dance moves!! Then make up your own routine, film it and share it!!

GREENSCREEN
Use either iMovie or DoInk greenscreen app

- Create a news broadcast about the Queens coronation, her fathers death, or your own celebrations for the Jubilee.
- Put yourself in a 1950's picture - why not dress up too!!

SCRATCH

Click the scratch logo and code:

- An animated message to the Queen
- A game involving corgis
- A maze game to steal the crown jewels!!

DESIGN
Using canva, piccollage, powerpoint or paper create:

- Some jubilee themed bunting
- A menu for a celebratory picnic
- A recipe card for the Queens favourite meal
- A poster giving information about events on the day
- A banner or commemorative flag
- A cartoon strip - Queens life or coronation
- Create a newspaper front page for the day of the Queens coronation
- A doggy outfit for the Queens corgi's

Based on the information you have found out, create a kahoot or microsoft forms quiz with questions about the Queen's life, her coronation, her role and the Platinum Jubilee

REELS
Using clips, iMovie or canva, create a reel that:

- depicts the Queens life
- informs people of the events planned for the Jubilee celebrations

INTERACTIVE TIMELINE
Using your choice of digital platform, use hyperlinks to add information, websites videos or a gallery of photos to events and points on a timeline.

Animation
Use the I can animate app, toontastic or create a paper flip book

- Make an animation that tells the story of how the Queen came to the throne.
- Retell the Queens life from birth to today

CHATTERPIX
Be the Queen and describe her life or a day in her life
Be a corgi!! Create a chatterpix explaining the day in the life of a corgi.
