

My GRUMPS

My ~~Grump~~ Grumps is my inspiration because he was a scientist. He wanted to make a more good and use plants to help him. He also had a big company which he sold for a lot of money and he helped the world with his since. and so do I he had so much fun doing it to his company was called ~~Singrow~~ ~~cericals~~. He worked so hard. he always calls me and my brother sallywags but he is the true scallywag. He has such a big garden and grows lots of things and is so successful and I really want to grow my own things to when im older. my grumpers real name is mike. and he has an amazing holiday home by the beach → turn over

My crumps use to work in

Singapore. He is turning 80

this year and we are going to

have a barbecue with him but

the last 2 times we had a barbecue he almost burnt the house

down the first time we were in

portugale and we got in the pool

the second time we were at home
and chucked a packet on it
