My Inspiration

My Mother and grandfather have inspired me to do many things and one of those things is to ride ~~my bike~~ learn how to ride a bike. First I had a small bike with training wheels My mum would take me to town and would some times ~~have~~ have to push me. My grandfather would take me to the park aswell. I had a scooter ~~at~~ a bike and a roller skates until one day after school I ~~tried~~ tried riding my bike and I was riding it! and then on my birthday I got a ~~women's~~ small women's bike and when my grandfather got it out the car I tried riding it and I could ride it. That is how my mother and grandfather inspired me.
